CARTE POSTALE.

POSTKARTE.

Trinity College. The Old or Great Court of Trinity College is remarkable as being the largest in Cambridge, measuring along its sides, north, 256 feet; south, 287 feet; east, 325 feet; west, 344 feet. The Conduit (1602) is the work of Thomas Nevile, a former Master, to whom also the Court owes its present arrangement, though some of the buildings around were erected at a previous date.
